"My wish is that the dialogue between us should help build bridges connecting all people in such a way that everyone can see in the other not an enemy, not a rival, but a brother or sister to be welcomed and embraced."

Pope Francis 22nd March 2013

Today is the beginning of Scottish Interfaith Week and is an opportunity for Catholics to follow the example set by our Holy Father Pope Francis to reach out to our neighbours and to recognise all people of faith as brothers and sisters. Take to opportunity this week to pray that people of faith might work together for peace in our world and in our country.
